Big Scrub Infantry Meeting
On Tuesday Mrs Mansfield hosted the Big Scrub Infantry Meeting here at Caniaba. We had K-2 teachers from Larnook, Coffee Camp, Jiggi, Goolmangar, Blakebrook, Whian Whian, Tuntable Creek, Dunoon, Modanville and The Channon Public Schools. Carol McMahon, SEO2 Professional Learning/Quality Teaching presented the first session on the new NSW English Syllabus and the implementation of this in line with the introduction of the National Curriculum in 2014. Christine Freeman, Principal of Dorroughby Environmental Centre presented the middle session. It was a great day of professional learning and collegiality. All staff were very impressed with our lovely school and magnificent grounds.

North Coast Zone PSSA Swimming Carnival
Seth Geurts, Samantha Light and Chad Pethers-Morrissey will be representing us at the zone carnival next Thursday 28th February in Lismore. We wish them the best of luck.

Student Representative Council
Our students held another meeting last Friday with Mr Osterio. This Friday they will be making a decision on which charity they will be supporting this term and how they will raise money for this. We look forward to hearing their decision and we will keep you posted about dates etc.

Closing Thought:

P&C Information

Next Meeting
The first meeting of the Caniaba Public School P&C Association will be held on

Thursday 28th February
School Library
commencing at 7pm.

This first meeting of the year is an introduction/getting to know you meeting and not the Annual General Meeting.

We encourage and welcome all families to attend. The P&C meetings are a wonderful way to keep in touch with what’s happening in the school and a great opportunity to have input into decisions concerning our children.

Hope to see you there,
Deb Da Fre, President   Enquiries 6663 1327 AH.
