Dear Parents/Carers,

Welcome to Week 8.

P&C Meeting & AGM
The P&C meeting and AGM will be held on Monday 31st March at 6p.m. in the school library. We would love to see you there. This is a great way to show your support for our wonderful school.

Staff Professional Learning
All teaching staff completed the last two modules of Positive Behaviour for Learning (PBL) last Thursday 13th March at Lismore District Office. We have written our initial Action Plan and will continue to implement positive changes to our School Discipline & Welfare Policy over the next three years. We will keep you up-to-date as we move along. There will also be a PBL update at our next P&C Meeting.

School Photos
Our students looked wonderful today for our school photos. Thank you for ensuring all students were in full school uniform. It is certainly wonderful to be the Principal of a school which supports the wearing of uniforms and to have our students feeling very proud to wear it.

Life Education
Our students will be attending the Life Education Van (Healthy Harold) on Tuesday 8th April. Over the years the cost of this has risen quite a bit. It is a very good program which is not government funded. The school has subsidised the cost in previous years. This year the P&C have very kindly offered to subsidise the cost. The cost for students this year will be $5 and the P&C will be paying the other $4. I really appreciate this initiative by our Parents and Citizens.

Closing Thought:
“Together we must learn how to compose differences, not with arms, but with intellect and decent purpose.” -- Dwight D. Eisenhower

Far North Coast Life Education Van Visit

The Far North Coast Life Education Van will be making their annual visit to our school on Tuesday 8th April. The community based organisation provides the students with lessons that are linked to the NSW Personal Development, Health and Physical Education Curriculum. During the student’s visits to the van they will experience lessons across a variety of strands that may include healthy choices, stay-safe situations, peer influence plus a variety of other topic areas. As we and the P&C see this program as extremely important in today’s world the P&C have generously decided to subsidise each child at $4.00 each so that the cost to families per child is $5.00.

Please complete attached permission note and return with money prior to the day. The Healthy Harold Shop will also operate on the day. Available stock is listed, and if your child wishes to purchase please bring extra money along on the day.
