Dear Parents/Carers,

Welcome to Week 8.

**Athletics Carnival**
There is great excitement in the lead up to our annual Athletics Carnival tomorrow with all of our students practising, working on chants and making streamers. Hopefully the weather will be kind to us. We won’t make a decision about postponement until the last minute – please listen to Triple Z 100.9 in the morning in the event that it is very wet and we have postponed it. It will still be a normal day at school for students tomorrow if the carnival is postponed. We will need some strong volunteers in the morning to help set up. If you could possibly help that would be very much appreciated.

**Semester 1 Reports**
We have finalised reports for all students. These are with the newsletter today. Parent/Teacher Interviews will occur next week and an interview sheet with available times for K/1 and 2/3 classes was sent home last Monday. If the times and days don’t suit for next week, please see Sally at the front office and make a time for early next term. Interviews for Year 4/5/6 parents/carers will be held early in Term 3 when Mr Osterio is back from leave.

**Sydney/Canberra Excursion**
Some of our Year 5/6 students will be heading to Sydney/Canberra on Sunday night for the week. This is such a valuable excursion and we know that our students benefit greatly from this event. We wish them well and we look forward to hearing about their adventures on their return.

**Head Lice**
We have had a very kind offer from a qualified hairdresser to check our students for Head Lice (particularly leading up to the holidays hoping to break the cycle). This is a simple check. However if you would prefer your student not to be checked please let us know.

**Other Award Recipients**
Oliver Walker, Andrew Clark, Heather Rotheram, Damon Cumine & Sam Parsons

**Student of the Week**

**Neve Harvey**

**Lily Jung**
Years 2/3

**Chad Pethers-Morrissey**

**Picking up of students**
To ensure the safety of all students please remember to always come to the office if collecting students early. All staff will direct you to the office if you arrive at classrooms and the office will ring the teacher to send your student down for pickup. Also we have noticed a number of changes to students travelling home arrangements which need to be updated. Could you please make sure the office is notified of any changes?

**Closing Thought:**

Caniaba Country Fair News.

I hope everyone has heard the news of our 1st Annual Caniaba Spring Country Fair?! Well it's happening with bells on Saturday October 11th from 9am till 2pm. The committee are very busy organising this event as we hope to involve our school community in as much of the fun as possible. Over the next few newsletters we will be asking for your help in many ways. The event stands as the school’s largest calendar P&C creation. It also stands to be our largest fund raising effort for the whole year. We truly hope to host as many stalls as possible run by parents of CPS as well as a few stalls, rides etc from outside sources. We need creative people with a crafty passion that can make anything from jams, biscuits, cakes through to clothing, plants, woodworking, general crafts or small businesses that would like to set up a market type stall. It could make you some extra cash! For this week and thereafter we need your help with our WHITE ELEPHANT STALL.. please start sending into school anything you have that can be donated and sold. Imagine this stall as the biggest garage sale ever! It poses to be our grandest stall and highest fundraiser. So clean up your garage, bedrooms, house etc and send in your sell worthy items to school. We can store these items till the day .. so start now! We are saving you a trip to vinnies :)

Please contact Peter Fassos for anything you need to know or can offer 0406 983 681.

Thank you in advance.
Country Fair Committee.

Caniaba Public School Promotion

As you may know at the end of 2013 for a short period we had enough students enrolled at our school to create a fourth class. Although our projected enrolments for 2015 are very healthy, the P&C would like to do all we can to help maximise these enrolments and be able to create a fourth class for next year.

As now is the time of year parents are considering schools for those children starting kindergarten, the P&C have produced a promotional pamphlet for the school. We intend to do a letterbox drop of Perradenya and Tullarook estates and we also have parents who work in preschools and the child care industry who will distribute through their networks. We will be actively pursuing a number of avenues to raise the profile of Caniaba Public School, but still the most effective tool we have is word of mouth!

We can all do something to help attract new students, talk to people; tell your sister in law what a great school Caniaba is, let the neighbour know about your Caniaba school experience, invite your friend with preschool children to book one of our guided school tours.

The P&C is sending home this pamphlet with the newsletter so you can have a look at it and we hope you can find someone to give it to. If you would like some extra pamphlets to take to your friends/networks, please contact Liz Clark 0466798581 and we will organize to have them sent home for you.
