Other Award Recipients
Cooper Hepburn, Oliver Walker, Kiah Smart, Daniel Czartowski, Billy Boyle, Jhalo Fassos & Damon Cumine

Public Speaking Competitions
Our school was represented by four students at the Big Scrub Public Speaking Competition at Jiggi PS on Wednesday. Lily Jung and Madeline Huxtable spoke in the Stage Two section of the competition. Both girls spoke with confidence on their selected topics and greatly enjoyed the experience.

Daniel Clark entertained the audience with his humor and real life examples as he explained why Brains are better than Beauty. Josie McGovern provided the audience with an insight into ‘are we alone in the universe and do aliens live amongst us’.

Our four presenters spoke with flair and poise and represented our school with pride.

Premiers Spelling Bee Competition
On Monday at the Premiers Spelling Bee four students had the opportunity to display their spelling skills.

In the Stage Two section Skye Hoggan made it to the fourth round and Isabell James soing out in the first round. In the Senior section Seth Hoggan also made it to the fourth round with Daniel Clark going out in the second round. A great effort by all involved.

Thanks to the parents who assisted with transport and went along to support their children in both of these events.

No.30/2014  18th September, 2014.

Dates to Note
Fri 19 Sep Last day of term
Term Holidays

Tomorrow
1.45pm All welcome
Duty Group
Goofy Gumnuts
Presenters
Callum, Leeam, Kara & Chantelle
Stage 3
Mackenzie
Stage 2
Makayla
Stage 1
Kara

Wishing all our families a safe and happy holiday
Timely Reminder
The sudden events of a fallen power line and the resulting paddock fire behind the school on Monday evening comes as a timely reminder of the need to ensure that everyone has a fire plan. As we head into the hotter and drier months remember to review or develop a fire plan for your personal dwelling. Thank you to our local fire brigade, SES personal, along with Lismore council staff and police who acted quickly to ensure the safety of our school buildings. Repair work continues with Country Energy shutting the local power supply off on Monday.

Casual and Technology Day
Friday is a come in casual dress day with handheld electronic games also allowed for lunch and recess use. Cost is $1 per student or $2 for a family. Year 6 SRC will collect monies and games with all funds collected going to assist Cameron Smart’s trip to the State Disabled Athletics. Students without games will be allowed to use the school’s I Pads.

Doug Osterio, Relieving Principal.

Happy 80th Birthday to Granny Chamberlain.
Alison has been volunteering her time on a Monday morning to listen to our infants students read for many, many years. She is affectionately known as ‘Granny’ to the children. She is also a Life Member of the P&C. She recently celebrated her 80th birthday and on behalf of the school community we convey our best wishes for many more birthday celebrations.

Nits
Please be advised that nits have made their unwelcome presence known again. Just a reminder that all hair that goes past the collar is to be tied back. Please take the opportunity of the holidays to check and treat and hopefully break the cycle of nits at the school. Your cooperation in this matter is very much appreciated.

Movieworld Excursion
On Thursday 30th October Years Kinder – Year 4 will have a trip to Movieworld. We will be participating in an educational program ‘Lights, Camera, Action” before the park opens to the public and then have time to explore the park. We are looking for Mums, Dads, Carers to join us and help supervise for the day. A reduced admission price will be applicable and you may need to car pool as the bus will be rather full with children.

If you are able to go, could you please let me complete the attached expression of interest. At this stage I am unable to give a final costing as bus fares need to be added to the admission price for the children, but when adult numbers are decided then the costing can be worked out, as we get some complimentary tickets for supervisors which will need to be shared out with all adults attending.

Thank you, Sally Mansfield, coordinating teacher.

Expression of interest - Movieworld Excursion
I would like to put my name down to attend and assist with supervision at the Movieworld Excursion on Thursday 30th October.

Caniaba Kidz Cafe News!
Hi healthy people. Last week you may have seen a new menu attached to the newsletter. This is our Term 4 2014 and Term 1 2015 summer menu. It's very similar to the successful last summer menu with a new wrap (island fish) that we hope the students try some time.
We will attach the menu again this newsletter for you so you can replace our winter menu.

Next term we will be offering a system for parents/students to make ordering easy. If you order the same thing each week, Kidz Cafe is happy to accept a one off bag from you at the beginning of term. On this bag please state "repeat me 10 times" or '5 times', whatever you like.

Please enclose the correct money in one payment, upfront for all lunches needed and we will make sure your child receives his/her order every week until credit is spent. That should make Friday's even easier for you ;)

Thank you to all that have helped, supplied and donated cash towards canteen for term 3.
A special thank you to the helpers that have taken the leadership role and organised for the week. It's a big task, and we appreciate your help.
Have a great holiday everyone.
Stay healthy

Kidz Cafe Committee.
