Dear Parents/Careproviders,
We have had a lovely week, which began with the welcoming of our new Kindergarten students and their families. We would like to welcome:
   - Bodhi; Grace; Cooper; Ava; Cohen; Dean; Nashua; Matthew and their families to Caniaba for their first year of formal schooling.
We would also like to welcome Connor (Yr. 4); Isaac (Yr. 6), Sydney (Yr. 5); Kassandra (Yr. 6) and their families to Caniaba.
We currently have 83 students K-6.
We would also like to formally welcome Gavin Henderson to our staff. Gavin has enormous experience in small school settings and has settled in very well. We are extremely lucky at Caniaba to have such dedicated, experienced, enthusiastic staff.

Newsletters will be sent home fortnightly again this year. Please make sure that you check these newsletters for coming events, dates and information. Newsletters are sent home with the oldest child in the family. They are also on Schoolstream app, the school webpage and can also be emailed.

The first P&C Meeting for 2016 will be held in the school library next Monday 8th February commencing at 6.30pm. Everyone is very welcome to attend. Friday Assemblies will be held fortnightly commencing in Week 3 (Friday 12th February) commencing at 12:45 p.m. See Assembly Roster attached.

Our annual Terania PSSA Swimming Carnival with Nimbin Central, Coffee Camp, Larnook, Jiggi, Goolmangar and Blakebrook Public Schools will be held next tomorrow 5th February. This carnival is for all students from Year 3 to Year 6 as well as any student in Year 2 who is turning 8 years of age this year and can swim at least 30m. Championship events are 50m but we do have 30m non-championship races. This is a normal school day and all students K-6 should be in attendance at the pool.

Students are encouraged to borrow from our School Library every Thursday. All students need a library bag for borrowing.

We invite you to join us for our Parent/Teacher Information Night on Wednesday 10th February with class times as follows:
- Kindergarten / Year 1 (Mrs Elms) 6:00 – 6:30 p.m
- Year 5/6 (Ms Voisey & Mrs Burley) 6:00 – 6:30 p.m.
- Year 2 (Mrs Overton) 6:30 – 7:00 p.m.
- Year 3/4 (Mr Henderson) 6:30 – 7:00 p.m.

This time is for class information and not for individual parent interviews. We would prefer that students not attend this night but we understand that it can be very difficult for parents/carers to attend without their children. To enable parents to meet teachers on this night we will provide supervision in the library for all children. Students will not be able to play in the playground as we cannot guarantee the safety of students when teachers are speaking with parents.
Absences from School
Please find attached to this newsletter ‘Compulsory School Attendance’ information for parents. Education for your child is important and regular attendance at school is essential for your child to achieve their educational best. It is also a legal requirement.
Please pay particular attention to justified reasons for absences as there may be instances where your explanation may be declined and recorded as unjustified.
Our Attendance rate at Caniaba has fallen below both Regional and State levels. The Department’s Home School Liaison Officers (HSLOs) will be visiting Caniaba in the coming weeks to question why our attendance levels are lower than normal. At times there is a need for home visits to develop an Attendance Improvement Plan to assist in getting regular attendance back on track.
If a student misses as little as 8 days in a school term, by the end of primary school they’ll have missed over a year of school. Lateness to school and leaving school early is also recorded and should be avoided is possible.
We look forward to working in partnership with you to support your child and their education.

Positive Behaviour for Learning
We have been continuing to implement Positive Behaviour for Learning since the beginning of 2014. This year we continue to focus on non-classroom behaviours and rewarding students for Being Safe, Being Fair and Being a Learner in the playground, walking around the school, assemblies, bus lines and moving as a class group to various activities. At morning assembly each day students who have shown these positive values receive a role-model badge to wear for the day. We have a rainbow system in place so when students receive 3 role-model badges within each 5 week module they move up the rainbow. Points are also awarded to sporting house groups and the trophy for the winning house is presented at the end of each 5 week module. Students who receive a referral for poor behaviour in the playground come to the planning room (Library). I run the planning room each day at both recess and lunch and students who are sent to me fill out a sheet explaining what happened and how they can fix it. We also discuss strategies students can use to prevent a re-occurrence. The planning room opens after students have eaten. More information as we progress through PBL will be sent home.

If you are picking students up from school we ask that you please wait out the front. We are in the process of purchasing some seating for you. We will keep you posted.

Please find attached my timetable and times I am available for meetings when/if required. There are times through the week that I ask to be free from meetings (unless there is an emergency) so that my class time is not affected – especially before school when I am often preparing for my teaching day. Please ring the office to make an appointment if needed.
There are many times that a meeting with your child’s teacher is necessary, but, as with me, there are times that teachers are very busy and not available (most mornings before school and when on playground duty) – also please make an appointment through the office.
If there is an issue/enquiry about something to do with the class/classroom the first port of call is with the classroom teacher, then with me if the issue/enquiry remains unresolved. Many times there have been meetings made with both the teacher and myself when that has been quite unnecessary.

Closing Thought
‘I’m catching up with yesterday. By tomorrow I should be ready for today’.

Jude Voisey, Principal.
Dear Parents/Careproviders of Years 3/4,

What a productive start to the year our 3/4 class have had. As well as adjusting to new routines and expectations, they have begun the exploration of a range of themes. In Science they are studying Life Cycles to discover similarities and differences between animals’ life cycles. They are reading Treasure Island and enjoying the accompanying Pirate themed activities. Yarrgh! To broaden their writing strategies, students have completed a series of character studies to learn how to convey thoughts and emotions to their audience. In Mathematics, the class has worked hard on place value, particularly ordering numbers and using greater than and less than signs. Spelling Contracts and Home Learning commenced this week and I am sure the class will settle into these new formats.

Gavin Henderson, Class 3/4 Teacher.

**P&C Meeting**

The first P&C meeting for 2016 will be held on Monday evening the 8th Feb at 6:30pm. We have lots of interesting new topics to discuss as well as reviewing ongoing projects. Meetings usually take about an hour and a half and all parents/grandparents/carers and citizens are most welcome to attend. I am very interested in collecting a wide range of ideas on what you think would benefit our school and how the P&C can be of most use.

If you have something to contribute please phone me on 0466 791 581 or better still pop along to our Monday night meeting if you can make it. I've been very impressed with some of the ideas our parents have come forward with so far, things I would never have thought of myself, some of them are simple & straightforward and some are very ambitious. We will get the chance to discussing all of these and more at the meeting and I look forward to seeing you all there.

Kind Regards, Liz Clark, President

Pick-up / Drop-Off Policy

Reminders about child drop off and pick up procedures at school.

In the interests of child safety the following procedures are to be followed for dropping off and picking up your children morning and afternoon.

**Mornings:**
Parents who drop their children off by private car are asked to use one of the following options:-
1. The bus bay after 8.15am (this is a NO PARKING area, ‘Kiss and Go Zone’).
2. Angle park to the road along the front fence on the Casino side of the bus exit.
3. Park on the grass section along the playground fence on the Lismore side of the bus entry point.

**Afternoons:**
Parents arriving before the bus arrives at 2.15pm may:-
1. Angle park rear to the front fence on the Casino side of the bus exit.
2. Park on the grass section on the Lismore side of the bus entry point.
3. Students are to be with an adult at all times when leaving the school grounds. (do not let students go to the car unattended)

Parents arriving after the bus arrives at 2.15pm may:-
1. Drive into the drop off area and wait in their car behind the buses for their child/children to be directed to them.
   This is a NO PARKING area.
   **DO NOT LEAVE YOUR CAR while in drop off area.**

**Please Note:**
1. Cars must not be left unattended in the drop off area at any time.
2. The area enclosed by the bus bay either side of the logs and fence is restricted to *staff parking* only (this eliminates children crossing the bus bay/pick up area to get to their cars).

**Early pick-up of students:**
Students may be collected from school early up until 2.15pm. After this time parents must wait at the front of the school until the buses leave and students are brought from the COLA around to the front of the school.
Please note:
Parents are not permitted to come to the COLA at Bus times. NO student will be allowed to leave with parents from the COLA between 2.15 and 2.30pm unless in the case of an emergency.

**Private Vehicle Safety – Mornings**
We urge all parents dropping students off in the morning to use the bus bay entrance and exit as this is the safest method for all students and parents.

Bus and car safety is an important issue around schools and it is hoped that we can maintain our careful and vigilant approach.
If you have any queries please don’t hesitate to contact me.

Jude Voisey, Principal.

**SOME TIMELY REMINDERS & GENERAL HOUSEKEEPING**

**Toys at School**
We ask that students do not bring toys or games to school unless it is their news or show & tell day. On these days only one toy or game should be brought to school and this should remain in the office throughout the day.

**Sharing of Food**
We have a number of students at Caniaba who have **food allergies or food intolerances** – some quite severe. It is absolutely imperative that students do not share food or ‘treats’ with each other. Last year some students were severely affected simply through eating a candy cane from a Christmas card given to them. We have asked that leftover food from the canteen not be given out to students by our canteen volunteers. We regularly update the student list posted on the canteen wall so volunteers know which students are affected. There are times at school where we ask students to bring a plate of food to share, but we monitor this closely on those days to ensure students with food allergies and/or food intolerances do not eat incorrect food.

**Healthy Lunches**
At Caniaba we encourage students to bring healthy morning teas and lunches. Please do not send chocolates, lollies, chips, dry noodles etc. with students for morning tea or lunch.

**Visiting the School**
It is Departmental Policy that all visitors to the school (including parents) go to the office on arrival to ensure the safety and security of both staff and students. It is also very important that classes not be unnecessarily disturbed during valuable learning time.

**Parent interviews**
I have quite an extensive teaching load as part of my job. My students are my priority. If for any reason you need to speak with me it is preferable to make an appointment through the front office. Unless it is an emergency I cannot come off class to speak with parents. (see timetable attached)

**Assemblies**
Every second Friday (commencing Friday 12th February) at 12.45pm. During the course of the year all students will be participating in public speaking and compering the assembly. A roster is attached, kindergarten students commence term 2. Parents and community members are welcome to attend.

**Library**
All students will have the opportunity to borrow and return books on Thursdays. Mrs Rann is our Library Assistant and only works in the office and library on Thursdays. Students must have a library bag to be able to take books home.

**Canteen**
Canteen is voluntarily operated every Friday by our wonderful parents under the guidance of and management of the P&C Canteen Committee. Orders must be placed in the box in the office in a brown paper bag as per the menu by Wednesdays. We are always looking for helpers so if you can assist please complete the attached form (if you have not already done so) and return to the office. Any assistance you can give will be greatly appreciated.

**Variation to Routine**
Just a reminder that if your child’s afternoon pickup/transport arrangement is changing please notify the office so it will be recorded on our ‘Change of Routine afternoon board’.

**Late Notes**
Students must collect a late note from the office if arriving after morning line up. Notes or phone calls explaining an absence must be received within 5 days of the absence.

**Collecting students early**
Please report to the office and the student will meet you there.

**Yellow Paper**
Attachments to the newsletter that are yellow/cream require attention and return if relevant.

**Authority to Publish Form**
This form is attached and must be completed and returned to the school every year to allow the students access as explained on the form.

**Newsletter**
The newsletter is sent home every second Thursday and any contributions must be emailed or on a hard copy to the office by 8.30am on that day. Thanks for your anticipated cooperation in this matter.
